

GROBET USA™

MATT MINI-LATHE with GAUGE

A versatile hand-held lathe, powered by a flexible shaft motor, designed to turn rods of carving wax. Includes precision gauge for measuring exact dimensions and thickness of work. Easily produce bands, bezels, settings, coin holders, chess pieces, etc. Set includes a cutting tool, 2 extra cutting tool blanks, 3 collets to hold wax, sample wax instruction book, and a 3-pc. stainless steel double-ended blade set. The six different ends create a cut-off tool, a channel cutter, a half-round band hollower, a frame shaper, and a cup former. Blades are .025" thick, 1/4" wide, and 4" long, and can be beveled to increase the number of designs.

No. **21.02803** Complete Lathe Set
