

GROBET USA™ Polishing

FABULUSTRE® POLISHING CLOTHS

Keep hands clean when polishing with rouge! Double cloth—one side impregnated with jeweler's rouge and the other side is a final polish cloth. Measures 9" x 11". Individually packed in plastic pouches. Sold by box of 12.
No. 17.076

SHINO CLOTHS

Double cloth, impregnated with jeweler's rouge. Measures 12" x 14". Packed individually in plastic pouch.
No. 17.090

"C-CLEAR" PLASTIC RENEWER

Every watch repair can have a crystal that looks brand new. Easy to use; wheel is charged with compound and crystal is then gently buffed. 1/4 lb. bar.
No. 47.310

FABULUSTRE®

Provides a high-luster finish on all types of precious and decorative metals. Special formulation removes light scratches and produces a fast, mirror-bright, final finish without discoloration. Greaseless, dry but not dusty, which means fast and easy clean-up with little or no residue.
No. 47.312 1/4 lb. tube
No. 47.313 1 lb. tube

ZAM® BUFFING COMPOUND

Formulated especially for silver and turquoise jewelry. Will not scratch soft stones such as turquoise. Time-saving to use, since stones do not have to be removed before buffing a new piece. Leaves a high luster without residue. Fast clean-up, does not cling to or penetrate surface of stones. Versatile, many goldsmiths prefer ZAM to rouge as a final finish.
No. 47.502 1/4 lb. tube
No. 47.503 1 lb. tube

PR88 HAND PROTECTION CREME

Water soluble skin protection cream, which is applied before work begins. PR88 provides a non-greasy, non-sticky barrier against alcohol and carbon based substances like gasoline, diesel, oils, hydraulic fluids, creosote, fats, paint + thinners, tar, dyes resins, non-polar organic solvents, fiberglass, superglues, ink, graphite, epoxies, etc.
23.040

SAFETY TAPE

Lightweight but strong. Will protect your skin from cuts and burns. Open mesh allows skin to breathe. Just wrap around twice for full protection. 3/4 x 90 ft. 16 in a pack. Sold by the pack.
No. 47.532
