# RING CUTTERS

## ELECTRIC RING CUTTER

In an emergency, speed, safety and comfort are essential. Cuts the strongest alloys in less than 10 seconds, safely, without heat or discomfort. High quality, powerful cordless motor. Since it's cordless, you can take it anywhere, making it ideal in emergencies. Chrome blade assembly can be sterilized. Comes with a 3 year warranty on cutting unit (except blade). US Pat 4864730.

No. **48.0610** Ring cutter

No. **48.0611** Pk of 2 replacement blades

## RING CUTTER

Lightweight model with knurled, non-slip handle. Nickel-plated, except for saw.
